MADE IN U.S.A.

320KG CAPACITY NYLON CONVERTIBLE HAND TRUCK & DOLLY

H-8700

ULTRA-LIGHTWEIGHT & SUPER-STRONG

The **PRO-LIFT®** hand truck is made in the usa & designed for both simple jobs but can handle ones up to 320 kgs as well. The glass filled nylon plastic I-beam construction makes this cart super-strong yet ultra-lightweight and weighs in at 13 kgs. As a dolly its 270 kg capacity is great around the home for moving boxes, garage equipment, or small appliances. As cart its 320 kg capacity is perfect for many construction jobsites to haul tools or lumber.

QUICK CONVERSION & EASY TO STORE

Convert from a hand truck to a cart in seconds and its 3-postion handle adjusts up to 147cm making it perfect no matter how tall you or your load it. As a cart the handle slips into place and is easily maneuvered even in the tightest of spaces. When not in use simply collapse the handle to its shortest position and store in your trunk or hang it in the garage. It takes up very little space and is perfect to have when the heavy jobs unexpectedly come up.

HUGE 25CM PNEUMATIC WHEELS

The 25cm wheels and guides on the frame make the dolly perfect when going up steps. Small steps, no problem as the wheels navigate them effortlessly. Tall steps, you are already halfway up with wheels this large and since they are pneumatic rough terrain is no match.

NO MORE MULTIPLE TRIPS

How many times have you been to the hardware store or nursery gotten home and wished you had a cart of dolly like what you used to haul your stuff to your car or truck? While this is not a folding cart it is still convenient, easy to use and store and is perfect for so many light to midweight jobs. It is portable, easy to use and weighs 30% less than steal while providing equal strength because of its design.

PROUDLY MADE IN THE USA

The **PRO-LIFT®** hand truck/dolly/cart is proudly made in the usa, and we stand behind our products. Please contact us with any questions or concerns and we gladly assist you and while we strive for perfection we also understand that things come up and it is our goal to go beyond your expectations to resolve any issues.

Pro-Lift®

H-1800

MADE IN TAIWAN

450KG CAPACITY HEAVY DUTY HAND TRUCK

- Heavy-duty steel tubular frame

H-1800

ERGONOMIC DESIGN TO REDUCE MUSCLE FATIGUE

The **PRO-LIFT®** hand truck is ergonomically designed to provide a powerful lift of heavy item loads. It will help reduce your chances of getting muscle fatigue that you may have while lifting or loading heavyweight goods at anytime and anywhere.

L-SHAPED WITH VERTICAL LOOP HANDLE DESIGN FOR EASIER MANEUVERABILITY

The heavy-duty dolly has a vertical loop handle design that is intelligently created to offer you multiple secure gripping points when the hand truck is upright and when tilted back. Due to the handles L-shaped features, it will give you the ability to control hand trucks with less strength.

HEAVY-GAUGE STEEL TUBULAR FRAME TO PROLONG PRODUCT LONGEVITY

The utility truck is made of high-quality steel with welded joints that make it resistant to rust corrosion. The large frame also provides you with a sturdier carry of bigger bulkier items. It will allow you to hold goods, boxes and cartons up to 450 kg capacity but lightweight 14.36 kg and easy to handle for storage at the same time.

PNEUMATIC TYRES FOR SEAMLESS TRANSPORT

The hand truck features 2 secure and air-filled tires. The lightweight tires provide great bounce and cushion that allows for a smoother ride and less bumping. The flexible features will give you the ability to transport heavy-duty items more seamlessly.

WARRANTY AND REFUND FOR BETTER SHOPPING EXPERIENCE

In case you are not satisfied with our product for any reason, or you have any questions please feel free to contact us, we are ready to serve you any time.
